Our Mission

The mission of the American Hernia Society is to provide a professional forum for the exchange of information and education regarding historic, current, and future methods of diagnosis and treatment of abdominal wall abnormalities.

These include:

a) periodic meetings for open presentation and discussion of scientific material concerning subjects of common interest.

b) cooperation in educational endeavors with groups of similar interest throughout the world.

c) initiative or cooperation in the publication of a journal and/or newsletter on the subject of hernia/abdominal wall abnormalities.

d) undertake other projects of scientific interest to seek information, or with goals desired by the organization that serve the mission of the organization.

Corporate Alliance

The Corporate Alliance has one representative from each member-company. Companies can become members of the Corporate Alliance by approval of both the AHS Board of Governors and the standing Corporate Alliance membership. The membership of the Corporate Alliance will elect its representative to serve on the Board of the AHS for a one-year period. As such, its elected representative will be invited to attend meetings of the Board. That position will be rotated between the participating member-companies. The entire membership of the Corporate Alliance is invited to attend the general membership meeting.

2009 Corporate Alliance Members include:

Atrium Medical Corporation
Cook Surgical
Covidien
Davol Inc.
